INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of The Gibson's Grant Community Association, Inc.

We have audited the accompanying financial statements of The Gibson's Grant Community Association, Inc., which comprise the balance sheet as of December 31, 2020 and the related statements of revenues, expenses and changes in fund balances and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Gibson's Grant Community Association, Inc. as of December 31, 2020 and the results of its operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Disclaimer of Opinion on Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the information on future major repairs and replacements on page 13 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Strunck & Associates, P.A.

THE GIBSON'S GRANT COMMUNITY ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

NOTE A - ORGANIZATION, PURPOSE, AND MANAGEMENT

The Gibson's Grant Community Association, Inc., a non-stock corporation incorporated in the State of Maryland in March 2008, exists for the private benefit of its members having as its purpose the general upkeep and maintenance of the common elements of the development and any other common expenses of the unit owners. The Association, located in Chester, Maryland, is comprised of 255 residential units as of December 31, 2020.

The Association has engaged Sentry Management, Inc. as its agent to collect maintenance fees for the unit owners, to administer the policies of the Board of Directors and to assist in the management of the Association's affairs.

NOTE B - DATE OF MANAGEMENT'S REVIEW

In preparing these financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through February 11, 2022, the date the financial statements were available to be issued.

NOTE C - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant policies consistently applied in the preparation of the accompanying statements follows:

1. Method of accounting

The financial statements are presented on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Funds

The Association uses fund accounting, which requires that funds, such as operating and replacement funds, be classified separately for accounting and reporting purposes. The operating fund is used to account for financial resources available for the general operations of the Association. The replacement fund is used to accumulate financial resources designated for future major repairs and replacements.

THE GIBSON'S GRANT COMMUNITY ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2020

NOTE C - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

3. Income taxes

Community associations may be taxed either as homeowners' associations or as regular corporations. For the year ended December 31, 2020, the Association elected to be taxed as a homeowners' association. Under that election, the Association is taxed on its nonexempt function income, such as interest earned, at 30% by the federal government and 8.25% by the State of Maryland. Exempt function income, which consists primarily of member assessments, is not taxable.

The Association's policy is to recognize any tax penalties and interest as an expense when incurred. For the year ended December 31, 2020, the Association incurred no penalties and interest related to income taxes. Tax returns are subject to examination by the Internal Revenue Service and State of Maryland for three years after they are filed.

4. Member assessments

Association members are subject to monthly assessments to provide funds for the Association's operating expenses and major repairs and replacements. Assessment revenue is recognized as the related performance obligations are satisfied at transaction amounts expected to be collected. The Association's performance obligations related to its operating assessments are satisfied over time on a pro-rata basis using the input method. The performance obligations related to the replacement fund assessments are also satisfied over time on a pro-rata basis using the input method. Assessments receivable at the balance sheet date are stated at the amounts expected to be collected from outstanding fees from unit owners. The Association's policy is to retain legal counsel to help in the collection of unit owners whose assessments are delinquent. Any excess assessments at year end are retained by the Association for use in the succeeding year. It is the opinion of the Board of Directors that the Association will ultimately prevail against unit owners with delinquent assessments and, accordingly, no allowance for uncollectible accounts is deemed necessary.

The Association treats uncollectible assessments as credit losses. Methods, inputs, and assumptions used to evaluate when assessments are considered uncollectible include consideration of past experience and susceptibility to factors outside the Association's control. The balances of assessments receivable as of the beginning and end of the year are \$22,856 and \$25,561, respectively.

THE GIBSON'S GRANT COMMUNITY ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2020

NOTE C - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

5. Common property

Real property and common areas acquired from the developer and related improvements to such property are not recorded in the Association's financial statements.

6. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE D - CASH

As of December 31, 2020, the Association maintained its funds in the following manner:

<u>Institution</u>	<u>Type of account</u>	<u>Cash</u>
Union Bank (2)	Checking	\$ 52,959
Union Bank	Money Market	191,534
Bank OZK	Certificate of Deposit	100,000
Capital Bank	Certificate of Deposit	<u>50,000</u>
		<u>\$ 394,493</u>

THE GIBSON'S GRANT COMMUNITY ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2020

NOTE E - FUTURE MAJOR REPAIRS AND REPLACEMENTS

The Association's governing documents require that funds be accumulated for future major repairs and replacements. Accumulated funds are held in separate savings accounts and generally are not available for expenditures for normal operations.

The Association levied assessments of \$87,000 during the year ended December 31, 2020 for estimated future major repairs and replacements.

An outside consulting firm conducted a study in July 2020 to estimate the remaining useful lives and the replacement costs of the components of common property. The table included in the unaudited supplementary information of future major repairs and replacements is based on the study.

The Association is funding for major repairs and replacements over the remaining useful lives of the components based on the study's estimates of current replacement costs and considering amounts previously accumulated in the replacement fund. Actual expenditures and investment income may vary from the estimated amounts, and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right, subject to membership approval, to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

NOTE F - RELATED PARTY TRANSACTIONS

The Association retains Sentry Management, Inc. as its managing agent. Additionally, Sentry Management, Inc. provided maintenance services for the Association. In 2020, the Association incurred \$986 of expenses for these services.

SUPPLEMENTARY INFORMATION

THE GIBSON'S GRANT COMMUNITY ASSOCIATION, INC.

SUPPLEMENTARY INFORMATION ON FUTURE MAJOR REPAIRS AND
REPLACEMENTS

December 31, 2020

(Unaudited)

An outside consulting firm conducted a study in July 2020 to estimate the remaining useful lives and the replacement costs of the components of common property. Replacement costs were based on the estimated costs to repair or replace the common property components at the date of the study. Estimated current replacement costs have not been revised since that date and do not take into account the effects of inflation between the date of the study and the date that the components will require repair or replacement.

The following table is based on the study and presents significant information about the components of common property.

<u>COMPONENTS</u>	<u>ESTIMATED REMAINING USEFUL LIFE</u>	<u>ESTIMATED CURRENT REPLACEMENT COST</u>
Exterior clubhouse building elements	1-26	\$ 177,230
Interior clubhouse building elements	2-14	184,500
Clubhouse building service elements	5-19	46,000
Property site elements	3-30+	3,336,058
Pool elements	2-21	<u>147,960</u>
TOTAL		<u>\$ 3,891,748</u>
